

Humanities and Technology Review Subscription Information

The *Humanities and Technology Review (HTR)* is an interdisciplinary, peer reviewed journal of the Humanities and Technology Association (HTA). The *Review* explores the interface between the humanities and technology. The *Review* is published on an annual basis in the Fall. *HTR* (ISSN: 1076-7908) is abstracted or indexed in: WorldCat; The Research Libraries Group, Inc. (RLG); and Isis Current Bibliography. HTA conference fees include a one year subscription to the *Review*.

Subscription rates with the United States:
